Dear Resident,

Further to our November 11th notice, be advised that window washing of the living room windows – exterior side only and balcony glass – interior side has started. Due to unforeseen circumstances, today's progress was slower than anticipated. Arrangements for additional cleaners have been made and we do not anticipate any further deviation from the schedule. The floor not completed today will be done tomorrow, **Tuesday, November 15, 2022.**

Please consider this letter formal twenty-four (24) hour notice that entry to your home will be taken for the purpose of window washing as per the schedule below. Kindly ensure that secondary locks are left unlocked and that every precaution is taken to safeguard your pets if you will be away.

Entry to your unit will be supervised by a security guard. Residents are not required to be home however, are asked to maintain physical distancing during the service should they be present at the time of attendance. It is expected that the washers will need approximately 10-15 minutes in each unit. We anticipate at minimum 5 floors being completed each day. See amended schedule:
